

# Here are some ideas to help you choose what you could do

“I ENGAGE to use less energy in my home ”

“I ENGAGE to recycle more of my waste ”

“I ENGAGE to sell my car and join a local car-sharing club”

“I ENGAGE to generate my own power using solar energy

**ENGAGE** for energy & climate,  
make the difference for Europe!

Here are some more ideas to choose from:

Can you ENGAGE and

- use less energy? (for example install energy efficient light bulbs)
- make your home well insulated ? (speak to us about current offers including Wrapping up York – which offers residents FREE insulation)

“I ENGAGE to generate my own power using solar energy”

**ENGAGE** for energy & climate,  
make the difference for Europe!

# Can you ENGAGE and

- give up driving distances less than 3 miles?
- walk or cycle to work?
- for medium – long distance journeys, take the train more often?

“I ENGAGE to sell my car and join a local car-sharing club”

**ENGAGE** for energy & climate,  
make the difference for Europe!

# Can you ENGAGE and

- reduce the food you waste?
- get an allotment?
- increase the amount of local food you buy

“I ENGAGE to compost my waste ”

“I ENGAGE to recycle more of my waste ”

**ENGAGE** for energy & climate,  
make the difference for Europe!
